ELLIOT HEALTH SYSTEM NAMES JONI SPRING VICE PRESIDENT OF PATIENT CARE SERVICES & CHIEF NURSING OFFICER

Manchester, NH--- Elliot Health System is pleased to announce the addition of Joni Spring, MS, RN, CENP, to their senior leadership team as the Vice President of Patient Care Services and Chief Nursing Officer. Joni has played a key role in the growth and expansion of nursing services at Elliot. She has a motivating spirit and understands from years of experience the importance of nursing in both the patient care experience and in the quality of practice within the operations of the health care system. She is driven to continue to elevate the level of nursing through a comprehensive care coordination effort being undertaken by a team of Elliot nurses and physicians.

Joni Spring joined the Elliot in May of 1987. Most recently, she served as the Senior Nursing Director, In-Patient Services. In that role, she directed and administered all Patient Care Services. She is a graduate of the University of New Hampshire where she received a Bachelor of Science in Nursing and later her Masters in Science, Nursing Administration.

Prior to working in administration, Joni worked as a staff nurse in pediatrics, orthopedics, and the emergency department. As she gained knowledge and experience, she served as a clinical leader and nursing supervisor at Elliot as well as an Adjunct Faculty member at UNH teaching junior and senior level nursing students. Joni possesses the talent to serve as a strong leader and as an inspiration to the hundreds of nurses she mentors.

Elliot is very pleased to have Joni join the Senior Leadership Team.
