### **Elliot Health System Offers Specialty Services in Gastroenterology**

**Manchester, NH**---Elliot Health System proudly announces a new specialty service, **Elliot Gastroenterology**. This new service will provide patients access to high quality medical care for their gastroenterological diagnoses. Joining the Elliot Physician Network are Drs. Yuki Igari and Michael Kaczanowski formerly of NH Gastroenterology, Inc., Bedford, New Hampshire. The doctors are accepting patients at The Elliot at Hooksett, 20 Chambers Drive, Hooksett, NH in the specialty suite. Then, in the fall of 2011, **Elliot Gastroenterology** will relocate to the Medical Office Building on the campus of The Elliot at River's Edge, Manchester which will enable the doctors to offer efficiency of office and endoscopy space as part of an integrated Ambulatory Care Center.

**Dr. Yuki Igari** is board certified in Internal Medicine and Gastroenterology and has served the greater Manchester community since 2002. She received her medical degree from Fukushima Medical College, Fukushima-shi, Japan and completed her residency in Internal Medicine at St. Luke's Hospital, St. Louis, Missouri. Dr. Igari obtained her Fellowship in Gastroenterology from the University of Arkansas, Little Rock, Arkansas. Her clinical interests include; the diagnosis, evaluation and treatment of gastroesophageal reflux disease and the long term management of inflammatory bowel disease.

**Dr. Michael Kaczanowski** is board certified in Internal Medicine, and Gastroenterology and he has served the greater Manchester community for the past two years. He received his medical degree from St. George's University School of Medicine, Grenada and completed his residency at Norwalk Hospital, Yale University teaching affiliate, Norwalk, Connecticut. Here he held the position of Chief Medical Resident and obtained a Fellowship in Gastroenterology and Hepatology. Dr. Kaczanowski has published on the use of wireless capsule endoscopy for diagnosis of small bowel neoplasms and his area of special interest is in the detection of colon cancer, esophageal disease and swallowing disorders.

Elliot Health System is proud to welcome Drs. Yuki Igari and Michael Kaczanowski and their patients to our caring community.

Elliot Health System is the largest provider of comprehensive healthcare services in Southern New Hampshire, the cornerstone of which is Elliot Hospital, a 296-bed acute care facility and the first community hospital in the state. Elliot is home to Manchester's designated Regional Trauma Center, a Level 3 Newborn Intensive Care Unit, Elliot Physician Network, Elliot Regional Cancer Center, Elliot Senior Health Center, Elliot Breast Health Center, Visiting Nurse Association of Manchester and Southern New Hampshire and Elliot 1-Day Surgery Center. For more information on any of Elliot's services, call ELLIOT ON-CALL at 663-4567 or visit our website at [www.ellioghospital.org](http://www.ellioghospital.org).
