**DOROTHY M. GOODWIN NURSING SCHOLARSHIP
ESTABLISHED FOR ELLIOT HEALTH SYSTEM NURSES**

David and Dorothy Goodwin

Manchester, NH – David P. Goodwin is honoring the memory of his wife, Dorothy M. Goodwin, who died in September 2010, with an annual restricted scholarship fund to benefit Elliot Hospital nurses by allowing for advanced education.

“Our mother had been an active volunteer at the Elliot Hospital for over sixty years, as a member of the Elliot Hospital Associates and, for almost thirty years, served as a hospital trustee. She was a recipient of the hospital’s Robert and Lucille Davison Philanthropy Award,” said Charles Goodwin, son of David and Dorothy Goodwin.

“Dot” understood the value of community service and sought to make the greater Manchester community a place that residents would be proud to call “home.”

Goodwin further explained, “Near to her heart were the Elliot Hospital and her recognition of the important role that nurses play in health care. Our father is proud to honor her memory through this gift, the “Dorothy M. Goodwin Nursing Scholarship,” which will annually give nurses at the Elliot the opportunity to further their education. Our family is pleased that for generations to come, nursing staff will learn of her commitment to their hospital.”

Contributions to the fund are welcomed to honor Dot Goodwin’s memory and to support nursing education. Restricted gifts may be sent to the Mary & John Elliot Charitable Foundation, Goodwin Nursing Scholarship, 4 Elliot Way, Suite 301, Manchester, NH 03103.

“I want to thank the Goodwin family for inspiring our nurses and providing a new source of education funding. We are humbled by this generous gift and proud to share Dot’s commitment to the community,” said Elizabeth Hale-Campoli, RN, Chief Nurse Officer.
