Welcome to Doctors Park Pediatrics

AT DOCTORS PARK PEDIATRICS we love kids. Everything we do is directed towards ensuring the healthy growth and development of the children for whom we care. We believe in partnering with families and working as a team to not only provide high quality healthcare for children, but to exceed expectations and deliver care in a convenient and compassionate way.

Electronic Medical Record System

Through the use of our state-of-the-art Electronic Medical Record (EMR) System each provider is able to access your child's complete medical record day or night. This allows us to monitor your child's health care needs closely and provide the highest quality of care possible. Our EMR can also be accessed by Elliot Hospital Emergency Room or Urgent Care Physicians.

MyEChart

Through MyEChart, we offer secure and confidential online access to your child's medical information. By signing up for MyEChart, you may:

- View recent office visits and make appointments
- Secure messaging with your child's clinical team
- Access to test results
- Update your contact information
- View your child's medications and request a prescription renewal
- Print immunization records of your child

Our Providers

Roger Frieden, MD is board certified by the American Academy of Pediatrics. He received his undergraduate degree from The John Hopkins University and his medical degree from The Ohio State University College of Medicine. He completed his post-graduate training and chief residency in pediatrics at Maricopa County General Hospital and Phoenix Children's Hospital in Arizona. He has been practicing at Doctors Park Pediatrics since 1988. Dr. Frieden enjoys spending time with his family, running and biking. He rides his bike to work as often as possible, weather permitting.

Alexis Reimer, MD is board certified by the American Academy of Pediatrics. She received her undergraduate degree from Purdue University, graduating Phi Beta Kappa. She received her medical degree from Indiana University, School of Medicine. Dr. Reimer completed her internship and residency at Kessler Medical Center, located at Kessler Air Force Base, Biloxi, Mississippi. She served as an active duty Pediatrician in the United States Air Force from 1990 to 1998 achieving the rank of Major. Dr. Reimer has been with Doctors Park Pediatrics since 2000. She enjoys spending time with her children, gardening and needlework.

Donald Salvatore, MD is board certified by the American Academy of Pediatrics. He received his undergraduate degree from Union College in Schenectady, NY. He received his medical degree from State University of New York Health Science Center at Brooklyn. Dr. Salvatore completed his residency and chief residency in pediatrics at St. Christopher's Hospital for Children in Philadelphia, Pennsylvania. He has been practicing at Doctors Park Pediatrics since 1994. Dr. Salvatore enjoys spending time with his family, playing tennis, hiking, biking and being outdoors.

Sandra Truebe, MD is board certified by the American Academy of Pediatrics. Dr. Truebe received her undergraduate degree from Georgetown University in Washington, DC and her medical degree from University of North Carolina, School of Medicine, Chapel Hill, NC. She completed her pediatric residency at Boston Children's Hospital and Boston Medical Center. She has been practicing at Doctors Park Pediatrics since 2003. Dr. Truebe is fluent in German and Spanish. She enjoys hiking, swimming and spending time with her family.
