

HEALTHCARE HERO

Tribute Program

The Mary & John Elliot Charitable Foundation's Healthcare Hero tribute program provides an opportunity for grateful patients and families to express their gratitude for the outstanding care provided by a physician, nurse or other provider of the Elliot Health System. The Foundation Office will provide your Healthcare Hero with a letter of acknowledgement along with a special custom crafted lapel pin that he or she can wear proudly.

Proceeds from the Healthcare Hero Fund go directly to support patient care enhancements, research, education and other areas where the need is greatest at Elliot Hospital.
