Elliot Health System Welcomes Our New Medical Director Of The Pediatric Emergency Department

Manchester, NH--- Elliot Health System is pleased to announce that Michael Witt, MD, MPH, joins Elliot from the Division of Emergency Medicine, Children's Hospital Boston. Dr. Witt received his medical degree from New York Medical College. Thereafter, he completed his Residency at Cooper Hospital – Robert Wood Johnson Medical School at Camden in Camden, New Jersey. He then received his Fellowship training in Pediatric Emergency Medicine at Connecticut Children's Medical Center University of Connecticut School of Medicine in Hartford. Dr. Witt is board certified in Emergency Medicine and Pediatric Emergency Medicine and is Elliot's Medical Director of the Elliot Hospital Pediatric Emergency Department.

The pediatric emergency department of Elliot Hospital is open to the public on January 16, 2009 and Dr. Witt will begin seeing pediatric patients that day.

Everyone at the Elliot Health System is proud to welcome Dr. Witt to the staff.

Elliot Health System is a non-profit organization serving your healthcare needs since 1890. The largest provider of comprehensive healthcare services in Southern New Hampshire, Elliot Hospital, a 296-bed acute care facility and the first community hospital in the state, serves as the cornerstone of the health system. Elliot is home to Manchester's designated Regional Trauma Center and Pediatric Emergency Department, Elliot Breast Health Center, Elliot Urgent Care, a Level 3 Newborn Intensive Care Unit, Elliot Physician Network, Elliot Regional Cancer Center, the Elliot Senior Health Center, Visiting Nurse Association of Manchester and Southern New Hampshire, and Elliot 1-Day Surgery Center. For more information on any of Elliot's services, call Elliot On-Call at 663-4567 or visit www.elliotechospital.org.
