FREE PROSTATE SCREENINGS OFFERED

MANCHESTER, NH: The Max K. Willscher Urology Center will offer FREE Prostate screenings on Wednesday, September 19, 4 to 6 p.m. in recognition of National Prostate Cancer Awareness Month. The screening consists of a simple test for men ages 45 to 70.

One in six men will get prostate cancer in their lifetime. It is the most common form of cancer in men and has no symptoms. Prostate cancer is easily diagnosed with a quick test and is treatable with early detection.

Appointments are required. Please call 663-5787 to register. The Max K. Willscher Urology Center, is located at Elliot Hospital, One Elliot Way, Manchester, NH.
