ELLIOT HEALTH SYSTEM ANNOUNCES THE ELLIOT AT RIVER'S EDGE

Manchester, NH: Downtown Manchester will soon be transformed by Elliot Health System's development of the former Jac Pac site. The new site will be known as The Elliot at River's Edge, a unique and state-of-the-art ambulatory care facility that will improve the quality and accessibility of healthcare for the City of Manchester.

"Elliot is proud to be on the forefront of a changing healthcare industry," says Doug Dean, President and CEO. "There is a new focus on preventive care, and reaching people before they develop acute health problems. The Elliot at River's Edge is a pinnacle piece of this healthcare evolution, which will serve to further improve the delivery of the care we provide throughout southern New Hampshire."

The Elliot at River's Edge will potentially include urgent care, diagnostic imaging, pulmonary rehab, sleep diagnostics, physical rehab, endoscopy, ambulatory surgery, occupational medicine, breast health, outpatient cardiac care, pain management, laboratory services, durable medical equipment, physician offices and support services.

Elliot has partnered with Anagnost Companies in the project. Further development of the site may include a parking garage, medical office building, retail space and a residential building.

City officials, Mayor Frank Guinta and the Elliot Board of Trustees are all in support of this dynamic project.

Elliot Health System is the largest provider of comprehensive healthcare services in Southern New Hampshire, the cornerstone of which is Elliot Hospital, a 296-bed acute care facility and the first community hospital in the state. Elliot is home to Manchester's designated Regional Trauma Center, a Level 3 Newborn Intensive Care Unit, Elliot Physician Network, Elliot Regional Cancer Center, the Elliot Senior Health Center, Visiting Nurse Association of Manchester and Southern New Hampshire, and Elliot 1-Day Surgery Center.
