

NH ACCOUNTABLE CARE PARTNERS

Partnering for Your Health

Corporate Compliance Program

This plan is designed to maintain compliance with CMS program requirements related to the Medicare Shared Savings Program, prevent and detect violations of law, and/or criminal conduct by our employees and agents, as well as to demonstrate due diligence in these areas.

Data Use Policy

Defines uses and disclosure of data

Record Retention and Data Destruction Policy

Applies to all records maintained by the ACO; provides procedures for good and effective records management practices

Marketing Materials Policy

To enforce the established Center for Medicare and Medicare Services Medicare Shared Savings Program requirements for marketing materials and other communications related to ACO activities.
