2018 Major Sponsor "Bundle Opportunities"

HELP US BUILD THE REGION'S PREEMINENT CANCER CENTER

Elliot Health System's 2018 Major Sponsor "Bundle Opportunities" Help Us Build The Region's Preeminent Cancer Center

Your 2018 sponsorship contribution will support the exciting development of a new and vastly-expanded Elliot Regional Cancer Center. This new Center, to be located in Manchester, will be the most comprehensive and patient-friendly cancer center in all of southern New Hampshire. We are bringing many oncology services and treatments into a comprehensive, high tech, comfortable, and convenient facility with multiple partners and practices involved – but we need to raise at least \$7M in gifts and sponsorships in the years ahead to bring this dream to fruition. In addition to the latest technology available, this new Cancer Center will be extremely patient-focused and will feature an innovative and new "Patient and Family Services Navigator" program so that every patient (and their family members) will have an Elliot staff member assisting them through the cancer care process. Please consider your 2018 corporate sponsorship as an early gift towards this much-needed cancer program improvement and facility to better serve our local community.

Please note: Sponsorships may be paid in installments and on any schedule that works best for you and your organization. The Mary & John Elliot Charitable Foundation can provide quarterly or monthly invoices upon request.

For more information or to customize a bundled proposal, please contact Kelli Rafferty at the Mary & John Elliot Charitable Foundation at 603.663.3091 or at krafferty@elliott-hs.org

Elliot has received a \$1M Matching Challenge from an anonymous local organization to help us launch the "Quiet Phase" of our capital campaign for our new Cancer Center.

Any event or bundle sponsorship of \$5,000 or more towards any or all of our 2018 events will be matched by this organization, and the challenge runs through December of 2018.
