ELLIOT HOSPITAL'S JESSICA THONIS, FIRST TO OBTAIN TRAUMA RN CERTIFICATION

Manchester N.H.- Congratulations to Jessica Thonis for being the first nurse at Elliot Hospital to attain her Trauma Certified RN_(TCRN) certification! This is the second certification that Jessica has received in the last year- the first was her CCRN. We are so proud of her and lucky to have such a smart, motivated, and outstanding performer on our ICU team.

“Nurses obtaining certifications such as TCRN will continue to perpetuate our outstanding level of care. Being a trauma center requires the entire culture of the hospital to be focused on the care of injured patients. By becoming certified, Jessica has helped contribute to this culture,” said Adam Rembisz , Trauma Program Manager.
