

Elliot Orthopaedic Surgical Specialists

At Elliot Orthopaedic Surgical Specialists, a Department of Elliot Hospital, we offer expert, personal and individualized care in the diagnosis and treatment of all orthopaedic conditions including: sports injuries, trauma care, joint replacement surgery and most musculoskeletal conditions. Together with physical therapy and primary care doctors, we quickly and effectively treat the patient's condition as part of an integrated healthcare team. *Our goal is to get you back to your active life!*

MEET OUR PHYSICIANS

Mary Lee-Sole, MD has been part of the Elliot community for over 20 years, starting her practice in 1989 after completing her Orthopaedic Surgery Residency at Eastern Virginia Graduate school of Medicine in Norfolk, VA. She earned her Medical Doctor degree from the UCLA School of Medicine, Los Angeles, CA. Dr. Sole treats most orthopaedic ailments, both operative and non-operative, including: arthritis, strains and sprains as well as fracture treatment. She is comfortable with performing most arthroscopic knee and shoulder surgery as well as total joint replacement surgery. Dr. Sole believes in individualized and personal care for patients.

Mark Piscopo, MD has also been practicing at the Elliot Hospital and has been a part of the Manchester community for over 21 years. Prior to that, he practiced general Orthopaedic Surgery in Messina, New York, before relocating to Manchester. He is a graduate of the University of Ottawa completing both his Medical School education and Orthopedic Surgery Residency at that institution. Dr. Piscopo practices general orthopedic surgery providing treatment for most all orthopaedic conditions, and is available to provide support for the growing orthopaedic trauma service backing up Dr. Parisien. Dr. Piscopo has the well deserved reputation for being a great listener and patient advocate.

Martin Ross, MD joined Elliot from Norwalk, CT where he was in private practice for the past 15 years. He has served as an Attending Physician at Norwalk and Stamford Hospitals, both Level II trauma centers with call responsibilities that included delivery of care both for trauma and non trauma cases, with a specialty focus on fractures and dislocations; Arthroscopic Surgery of the shoulder, knee, ankle, and Arthroplasty of the hip and knee. He graduated Medical School at SUNY at Buffalo, NY and completed his Orthopaedic Residency at Maimondes Medical Center, Brooklyn, NH. Dr. Ross built his solo practice by providing exceptional personal care to his patients, and will be bringing that patient care focus into the practice as we grow.

Robert Parisien, MD joins us from Maine Orthopaedic Center, PA, where he has practiced orthopaedic traumatology and fracture surgery for over five years which included call coverage for a Level I trauma center (Maine Medical Center). His training includes completing Medical School at Dartmouth in Hanover, NH and his Orthopaedic Residency at Massachusetts General Hospital as part of the Harvard combined program. Dr. Parisien has completed a Sports Medicine Fellowship at Brigham and Women's Hospital in Boston. However, he has narrowed his focus of practice developing a specialized expertise in Orthopaedic Trauma with a particular interest in Pediatric Orthopaedic Trauma. He was the covering Orthopaedic surgeon to the Portland Pirates hockey team and has been a U.S. Ski Team physician since 2007. He will be primarily supporting the growth of Elliot Hospital as a Trauma Center.

Paul Scibetta, Jr., DO completed his Medical training at the University of Medicine and Dentistry of New Jersey earning his Doctor of Osteopathic Medicine. He then completed his Orthopaedic Residency at UMDNJ at Cherry Hill, NJ and began his career in Orthopaedic surgery as a solo practitioner in Plymouth, NH at Tenney Mountain Orthopaedics. After five years of private practice, he joined Spaulding Memorial Hospital, in Plymouth, NH, where he worked for seven years before moving to Beckley, WV where he practiced at the Raleigh Orthopaedic Center. Dr. Scibetta is board certified by the American Osteopathic Board of Orthopaedic Surgeons and is fully qualified and competent in all aspects of general Orthopaedic practice, including fracture care and arthroscopy; with a particular interest in hand surgery.

Jonathan Mack, MD is the Director of Sports Medicine at Elliot Orthopaedic Surgical Specialists. He joins the Elliot from Marshfield Clinic in Wisconsin where he was an Orthopaedic Sports Medicine Associate. Dr. Mack completed both his Orthopaedic Surgery Residency and earned his degree as a Medical Doctor from Albert Einstein College of Medicine in New York City. Later he completed his Fellowship in Sports Medicine at Miami Sports Medicine in Florida. He is board certified in both Orthopaedic Surgery and Sports Medicine

by the American Board of Orthopaedic Surgery. Dr. Mack's special skills include: hip arthroscopy, treatment of knee dislocations/multiligament knee injuries, arthroscopic rotator cuff repair, labral repair, AC joint reconstruction, patellofemoral arthroplasty, and articular cartilage restoration.

Roxanne Wallace, MD joins us having served as a Lieutenant Colonel in the United States Army Medical Corps. Most recently she served as Chief of Department of Specialty Services and Chief of Orthopedic Surgery Service at Raymond W. Bliss Army Health Center in Huachuca, AZ. She earned her Medical Doctorate at Boston University School of Medicine and completed her Residency in Orthopaedic Surgery at Walter Reed Army Medical Center in Washington, D.C. Dr. Wallace is a Leadership Fellow in the American Academy of Orthopaedic Surgeons and completed her Fellowship training in Sports Medicine at the University of Massachusetts. She provides some weekend on call coverage and joins Dr. Mack in providing a full complement of Sports Medicine services.

Bryan Lawless, MD recently completed his Fellowship in Adult Reconstruction Surgery at Massachusetts General Hospital. He graduated from Tufts University School of Medicine and completed his Orthopaedic Surgery Residency at Boston University School of Medicine. Dr. Lawless was named Intern of the Year by Boston Medical Center during his surgical internship in 2006. He brings extra expertise in total joint replacement of the hip, knee and shoulder to our group. Dr. Lawless also provides general orthopaedic services.

MEET OUR NURSE PRACTITIONER

Kim C. Brady, MS, APRN, NP-C is Board certified by the American Academy of Nurse Practitioners. She received her Bachelor's of Science Degree in Nursing at the University of Massachusetts, Lowell in 2006 and received her Master's of Science Degree in Nursing at Rivier College in 2010, graduating Cum Laude. Kim is also a Registered Nurse First Assist (RNFA). She is certified through the National

Institute of First Assisting (NIFA). Prior to joining Elliot Orthopaedic Surgical Specialists in August of 2010, Kim worked as a registered nurse at Lowell General Hospital. She worked as a charge nurse on their post surgical floor and also oriented new nurses in the Lowell General Hospital's New Graduate Program.

MEET OUR PHYSICIAN ASSISTANTS

Michael Smith, PA-C is certified in Surgery and Primary Care by the National Commission on Certification of Physician Assistants (NCCPA). He received his Bachelor of Science in Political Studies from the University of Massachusetts and his Master of Physician Assistant Studies at Northeastern University Physician Assistant Program in 2001. Prior to joining Elliot Orthopaedic Surgical Specialists, Michael was employed as a Physician Assistant at Rockingham Orthopaedic Associates, Derry, NH and The Orthopaedic Center in Nashua, NH.

Sara Lupien, PA-C, is board certified by the National Commission on the Certification of Physician Assistants (NCCPA). She received her Bachelor of Science, Athletic Training from the University of New Hampshire and her Master of Science, Physician Assistant Studies for Massachusetts College of Pharmacy and Health Sciences in Manchester, NH. Prior to joining Elliot Orthopaedic Surgery Specialists, Sara was employed as a Physician Assistant at Concord Orthopaedics, Concord, NH and Dartmouth Hitchcock-Orthopaedics in Nashua, NH.

Misha Sullivan, PA-C, ATC is board certified by the National Commission on the Certification of Physician Assistants (NCCPA). She received her Bachelor of Science in Kinesiology with a concentration in Athletic Training from the University of New Hampshire and her Master of Physician Assistant Studies from the University of New England. Prior to joining Elliot Orthopaedic Surgical Specialists, Misha was employed as a Certified Athletic Trainer at Portsmouth High School. Misha joined Elliot Orthopaedic Surgical Specialists in August 2011.
