- Other educational opportunities:
  - Basic Life Support (BLS)
  - Advanced Cardiac Life Support (ACLS)
  - Schwartz Rounds
  - Grand Rounds

**LOCATION**
Elliot Hospital is located in Manchester, the largest city in New Hampshire. It is conveniently an hour north of Boston, an hour from the White Mountains, and an hour from the ocean.

New Hampshire offers the best of city and country living in an area known for its four season recreational resources and breathtaking scenic beauty.

With state parks, beaches, historical sites, and ski resorts throughout the state, you can enjoy numerous activities such as hiking, biking, boating, and skiing. You can also enjoy fine arts at Manchester’s Currier Gallery of art, a show of symphony at the Palace Theater, or a venue of top performing artists at the SNHU Arena.

APPLICATION PROCESS

Applicants must be graduating from an Accreditation Council for Pharmacy Education (ACPE) accredited school of pharmacy (or one in process of pursuing accreditation) and be eligible for licensure in the state of New Hampshire.

The Elliot Health System residency program utilizes the ASHP Pharmacy Online Residency Centralized Application Services (PhORCAS). The following materials are required:

- Curriculum Vitae
- Letter of Intent/Personal Statement
- Pharmacy Transcript
- Three recommendations via PhORCAS:
  1. Professor
  2. Clinical faculty member/preceptor
  3. Employer (or another preceptor/professor if no employer)

Application Deadline: January 1st

NMS Match Number: 130313

INTERVIEW PROCESS

- Hospital Tour
- Interview with Director of Pharmacy
- Interview with Preceptors
- Interview with Residency Director and Operations Manager
- Math/Pharmacotherapy Competency Exam
- 10 minute PowerPoint presentation on a clinical topic

This residency site agrees that no person at this site will solicit, accept, or use any ranking-related information from any residency applicant.

PROGRAM OVERVIEW

The Elliot Health System is comprised of the Elliot Hospital (a 296 bed acute care facility) in addition to an extensive outpatient network. This outpatient network offers pharmacy residents ambulatory care opportunities, and includes a number of Pediatric and Family Practice offices, in addition to various Specialty Clinics, including Geriatrics, Cardiology and Endocrinology.

Elliot Health System will prepare pharmacists with the clinical skill set and confidence necessary to be a clinical pharmacy practitioner in either the hospital setting or in ambulatory care. Residents completing this program will be able to pursue any of the following positions:

- PGY-2 Specialty Residency
- Clinical Pharmacist Position
- Adjunct Faculty Position

Start Date: July 1st

Program Duration: 12 months

Benefits

- Medical and dental benefits
- Vacation time:
  - 10 days of vacation/sick time throughout the residency year
- Fitness Center Access (free):
  - Welliot at Elliot Hospital and River’s Edge

Staffing

- Every other weekend
- Two holiday shifts
