Welcome to
Pediatric Health Associates

At Pediatric Health Associates, we consider you part of our family. We are completely committed to the healthy growth and development of your child. Our established and experienced providers are able to relate to children of all ages and through their strong relationship with each other, offer consistent, quality care.

Whether it is for a check up, an illness, or other questions you may have about your child’s welfare, we are happy to see you. We believe nothing is more important than the health of your children.

Electronic Medical Record System
Through the use of our state-of-the-art Electronic Medical Record (EMR) System each provider is able to access your child’s complete medical record day or night. This allows us to monitor your child’s healthcare needs closely and provide the highest quality of care possible. Our EMR can also be accessed by Elliot Hospital Emergency Room or Urgent Care Physicians.

MyEChart
Through MyEChart, we offer you secure and confidential online access to your child’s medical information. By signing up for MyEChart, you may:
• View recent office visits and make appointments
• Access secure messaging with your child’s clinical team
• Have access to test results
• Update your contact information
• View your child’s medications and request a prescription renewal
• Print immunization records for your child

Office Hours
• Monday to Friday from 8 a.m. to 5 p.m.
• Extended hours through Elliot Pediatrics After Hours (located in our Suite) Monday to Thursday until 9 p.m., Saturday from 8 a.m. to 4:30 p.m. and Sunday from 9 a.m. to 3 p.m.
Our team of highly trained Registered Nurses are also available after hours for general questions or to help you address healthcare concerns. They work closely with our on-call physician to assist you 24 hours a day.
