NEW HAMPSHIRE'S HOSPITAL FOR CHILDREN TO RECEIVE OVER \$87,000

Manchester, NH – On Friday September 19, 2014 over 400 people attended the 13th Annual Elliot Hospital Gala to celebrate and raise money in support of the care given to children through the unique offerings of New Hampshire's Hospital for Children. A core group of business leaders, physician's wives and the leadership of the Mary & John Elliot Charitable Foundation planned and executed on an evening that was both elegant and festive. The gala included a silent auction, dinner and dancing to Clockwork. With the help of over 60 sponsors and hundreds of attendees, the event raised more than \$87,000 for New Hampshire's Hospital for Children.

Dr. Elizabeth Soukup, Pediatric Surgeon at New Hampshire's Hospital for Children states "I am thrilled that this year's Elliot Hospital Gala was again dedicated to support the New Hampshire's Hospital for Children. It was a wonderful event and the tremendous demonstration of support from our community was heartwarming. We are committed to serving children and families in our community, keeping them close to home, while delivering state-of-the-art care. I am so proud of New Hampshire's Hospital for Children and the excellence in services that we provide, and I am grateful for the support of the Elliot Hospital and the Mary and John Elliot Charitable Foundation."
